Welcome to Elite Online, how you doin'?
I'm very well thank you, keeping myself busy with work.

Wonderful to have you featuring, what was it like to shoot with us? It was amazing to finally shoot with you guys, I felt welcomed in by everyone, I enjoyed everyone moment of it. By far my favourite modelling set to date. Can't wait to work with you guys again.

WE'RE ALWAYS FASCINATED TO FIND OUT HOW OUR MODELS KEEP IN SUCH TREMENDOUS SHAPE. DO YOU WORK OUT? WHAT'S YOUR SECRET? I USED TO DO BOXING FOR A WHILE WHICH I THOROUGHLY ENJOYED. AT THE MOMENT I DON'T WORK OUT AS I'M A BUSY BEE WITH WORK.

Do you also watch what you eat, or is every day a cheat day? At times I do watch what I eat, I was diagnosed with anorexia bulimia a while back so my diet is not the best, but when I do have a good day I eat like a king and I mean I pack it away.

Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out? I always love the summer time, I'm looking forward to hitting the beach up and get my tan going on as well as shooting. I have a few lined up for when the sun is out.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I've always wanted to shoot more outside, but never had the chance to do the styles I would like to do. This summer I have a few shoots booked outdoors from shooting in boats to shooting abroad etc. There always has to be sweets on set... I sure have a sweet tooth.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I would say I have a few in mind. Lisa Ann is one of my biggest inspirations always loved her work and drive to get a career outside of the porn industry as well as participating in the adult industry. I admire a few models in there own little ways like @officallymosh and @giagenevieve. I've always wanted to expand my skills and push myself to shoot different styles.

Photographer: ATOM Creative

WHAT'S THE DIRTIEST MEAL YOU REGULARLY STUFF YOUR FACE WITH? NOT THE MOST EXCITING, BUT POT NOODLES. I LOVE THEM.

Photographer: ATOM Creative

WHAT HAVE YOU BEEN LISTENING TO RECENTLY? A LOT OF OLD SCHOOL CLASSIC SONGS... MY FAVOURITE AT THE MOMENT IS UNCHAINED MELODY BY THE RIGHTEOUS BROTHERS.
...WATCHING RECENTLY? I DON'T REALLY WATCH MUCH TV I PREFER TO LISTEN TO MUSIC, BUT IF I DO I LIKE TO WATCH ROMANTIC, HORROR OR VAMPIRE FILMS.
...WEARING RECENTLY? WELL LET'S SAY I'M GOING TO LEAVE IT TO YOUR IMAGINATION ;)

YOU'VE GOTTA HAVE A DRINK TO WASH IT DOWN AS WELL. WHAT'S YOUR ALCOHOL OF CHOICE? I'M NOT A BIG FAN OF DRINKING TO BE HONEST WITH YOU. IF I DO, THEN IT WILL HAVE TO BE A DRY MARTINI AND LEMONADE OR PINK GIN AND LEMONADE.

SUMMER MEANS FESTIVAL SEASON, GOT ANY DATES OR GIGS YOU'RE LOOKING OUT FOR? I AM GOING TO GAY PRIDE IN BRIGHTON THIS YEAR WHICH I'VE NEVER BEEN TO BEFORE, SO I'M REALLY LOOKING FORWARD TO IT.

Welcome to Elite Online, how you doin'? Hey! I'm doing great thanks. (Trying to resist the Joey from Friends reference there).

Wonderful to have you featuring, what was it like to shoot with us? It was a pleasure as always to shoot with ATOM, he's the best.

We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret? I love swimming and yoga! Anything low impact and chilled out, treadmills are my arch nemesis.

**YOU'VE GOTTA HAVE A DRINK TO WASH IT DOWN AS WELL.
WHAT'S YOUR ALCOHOL OF CHOICE? RED WINE OR WHISKEY!**

Do you also watch what you eat, or is every day a cheat day? I like to eat healthy in general, I love to cook from scratch so that helps. I'd be lying if I said I kept to that all the time though, I mean sushi exists for a reason right?!

What's the dirtiest meal you regularly stuff your face with? It's not a regular thing, but if I am in the mood for something dirty I'm going tacos. Or hash browns. I'm weak for a good hash brown.

Summer means festival season, got any dates or gigs you're looking out for? I don't have any big plans this year for the first time! I'm desperate to see KISS so fingers crossed I pull that off.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I would love to do a beach shoot, but I also like the intimacy of bedroom shoots in general. A must for me is some good music while shooting! And some fire underwear, obviously.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? Photographer wise apart from @atom_creative, I love @billybilacous for his photography style and I'm always inspired by the tattooers I work around, especially my girl @salut_wren.

**SUMMER IS FAST APPROACHING HERE IN THE UK. WHAT DO YOU
LOOK FORWARD TO THE MOST WHEN THE SUN COMES OUT? BEER
GARDENS FULL OF DOGS, SUNBATHING AND SWIMWEAR.**

...WATCHING RECENTLY? AFTER THE END OF GOT LEFT ME WITH A HOLE IN MY LIFE I CAN'T FILL, I'VE BEEN REWATCHING PEEP SHOW AND I SAW PET SEMETARY THE OTHER DAY. BIG STEVEN KING FAN!

...WEARING RECENTLY? BLACK SKINNY'S, A BODYSUIT, A @ MALICELINGERIE HARNESS AND SOME KILLER PLATFORM BOOTS.

**WELCOME TO
ELITE ONLINE
MAGAZINE, HOW
ARE YOU TODAY?
I'M DOING REALLY
WELL! LIFE HAS
BEEN GOOD THESE
PAST FEW WEEKS.**

Photographer: Sunnie Rizzolo

Photographer: Sunnie Rizzolo

What part of the world are you from? I'm an American girl, born and raised.

What is your country famous for? Hmm... let's go with touch football, sweet tea and barbeques.

How do you prefer to say sexy? Sexy? haha. To make this answer a little more interesting, I'd say body language and flirtatious eye gazing!

How does it feel to be in the world famous Elite Online Magazine? Really awesome! I adore the Elite family and feel so honoured to be included in this month's issue.

**WHAT DO YOU THINK IS YOUR BEST FEATURE? MY BOOBS! HAHA.
NO, THAT'S MY SECOND - REALLY I'D HAVE TO SAY MY SMILE.**

The background of the page is a blurred photograph of a dining room. In the foreground, the backs of several wooden chairs with light-colored upholstered seats are visible. To the right, a portion of a dark wooden table is seen. In the background, there are large windows with light-colored curtains, and a white wall. The lighting is bright and natural, suggesting daytime.

WHAT IS IT LIKE MODELLING IN YOUR COUNTRY? IT'S FUN! THE MODELING COMMUNITY IN AMERICA IS HUGE, BUT AT THE SAME TIME IT'S A PRETTY TIGHT-KNIT GROUP OF PEOPLE. PEOPLE WITH SO MANY INTERESTING CONCEPTS AND DIVERSE STYLES. I LIVE IN LOS ANGELES NOW AND MY FAVOURITE PART OF MODELING IS BEING ABLE TO CREATE COOL ART WITH COOL PEOPLE!

Welcome to Elite Online, how you doin'? Hey, it's great to be back! And I'm doing just fine.

Wonderful to have you featuring, what was it like to shoot with us? It's always a pleasure, this time it was especially fun because of the gorgeous apartment we got to shoot in.

We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret? I go to the gym a couple of times a week! I'm trying to get in more of a routine and work on my body more. I also love doing the horizontal tango, that keeps me in shape...

YOU'VE GOTTA HAVE A DRINK TO WASH IT DOWN AS WELL.
WHAT'S YOUR ALCOHOL OF CHOICE? GIN, ALWAYS.

Photographer: ATOM Creative

WHAT HAVE YOU BEEN...

...LISTENING TO RECENTLY? I'VE BEEN LISTENING TO CATFISH & THE BOTTLEMEN - THE BALANCE ON REPEAT SINCE THEY RELEASED IT THIS YEAR.

...WATCHING RECENTLY? KILLING EVE, HANDMAID'S TALE AND LOVE ISLAND (DON'T JUDGE HAHA).

...WEARING RECENTLY? MAINLY BIKINIS COS I'VE BEEN ON SO MANY HOLIDAYS! NOT RUBBING IT IN OR ANYTHING.

SUMMER MEANS FESTIVAL SEASON, GOT ANY DATES OR GIGS YOU'RE LOOKING OUT FOR? I'M OFF TO TRNSMT IN GLASGOW AND ALSO LATTITUDE FESTIVAL TO SEE MY WIFE LANA DEL REY. I MIGHT DO LEEDS FESTIVAL TOO, I USUALLY END UP THERE!

Photographer: ATOM Creative

Photographer: ATOM Creative

Do you also watch what you eat, or is every day a cheat day? Well, I don't eat meat so I think my diet definitely helps, but I'm a total carb junkie and a secret snacker. I love cooking though so mainly cook healthy stuff but I do love a treat.

What's the dirtiest meal you regularly stuff your face with? There's an amazing vegan junk food bar in Newcastle that I love, they do a thing called "fricken" which is just vegan fried chicken and it's DIVINE along with their garlic sauce! I've been known to polish off a ten piece bucket in one go before. Sorry not sorry.

Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out? Festivals, holidays, being able to shoot outside, being able to wear less clothes! Summer is just amazing! And my birthday is in July too so I'm a total little summer soul.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I enjoy shooting at the beach! A few years ago I did a striptease set on a local beach really early in the morning as the sun was just rising. I thought the beach would be quiet at that time but no, loads of people saw me rolling around in the rock pools with my boobs out.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? There are loads of girls in the industry who inspire me. My biggest influence though is my best friend Frankii Wilde, she's always working so hard making content and she absolutely kills it.

Welcome to Elite Online, how you doin'? Hey, I'm really good thanks.

Wonderful to have you featuring, what was it like to shoot with us? It's always amazing to shoot with you guys, I always have a laugh and get the best photos.

Do you also watch what you eat, or is every day a cheat day? I don't watch what I eat really. I eat what I like, but I do enjoy a lot of veggies and lots of fruit... but I also really love cheese!

You've gotta have a drink to wash it down as well. What's your alcohol of choice? My favourite alcoholic drink is either Jack Daniels and coke or some form of cider, it's my favourite!

Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out? When the sun comes out I can't wait to get my bikini's on and be able to sit outside with my friends and drink all day.

WE'RE ALWAYS FASCINATED TO FIND OUT HOW OUR MODELS KEEP IN SUCH TREMENDOUS SHAPE. DO YOU WORK OUT? WHAT'S YOUR SECRET? I SUPPOSE MY SECRET WOULD BE YOGA, BUT I ALSO WAS A GYMNAST FOR YEARS SO THAT HAS HELPED MY BODY AND FITNESS LEVELS A LOT.

SUMMER MEANS FESTIVAL SEASON, GOT ANY DATES OR GIGS YOU'RE LOOKING OUT FOR? I HAVEN'T GOT THAT MANY FESTIVALS LINED UP THIS SUMMER, BUT I AM MOVING TO AUSTRALIA SO I GUESS THAT KIND OF TOPS IT RIGHT?

Photographer: ATOM

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? I love shooting on the beach, or by a pool. The lighting from the sun is always gorgeous and makes me so happy.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I love a lot of girls work, but right now I'm really loving Tink. I got to shoot with her and she's bloody lovely, but also the most gorgeous girl ever.

WHAT HAVE YOU BEEN... LISTENING TO RECENTLY? I'VE BEEN LISTENING TO THE GREATEST SHOWMAN SOUNDTRACK A LOT LATELY, MOSTLY BECAUSE I WENT TO SEE HUGH JACKMAN ON TOUR.

...WATCHING RECENTLY? I STARTED WATCHING THE TED BUNDY TAPES AS I LOVE ALL THAT CRIME STUFF.

...WEARING RECENTLY? WEARING CLOTHES ISN'T MY FAVOURITE THING, BUT WHEN I DO I HAVE THESE AMAZING PJ'S FROM TOPSHOP AND I CAN'T TAKE THEM OFF.

WINTER

Welcome Neptune, always a delight to feature a lady of your wonders. How have you been? GOOD GOOD!

You're a very busy lady, with multiple fingers in multiple pies, so to speak. Do you ever struggle for inspiration going from shoot to shoot? Luckily because I shoot a lot of content based on fandoms I love, and new things constantly come out, it's pretty easy to find things to shoot.

You're a chameleon of a model, constantly changing what you produce and keeping your work fresh. Is that all instinct, or do you experiment with different poses, looks and body positions in your downtime? I've been modeling professionally now for 7 years so I definitely have some 'go to' poses that I know are flattering which helps! Also shooting with other models helps tremendously with finding new poses and positions to shoot in!

Food is obviously very important to you Neptune, what would you say your favourite meal is? Pad Thai is one of my all time favourites! I could probably eat it everyday and not get tired of it!

You have just been to Japan, tell us one of your favourite stories of being there? Probably one of my favourite parts was visiting a maid cafe and the cute maids translating Pokémon names in Japanese for my friend and I. It was adorable and hilarious.

You're involved in so many elements of the industry, one of my favourites bring the Suicide Girls. What does it mean to you being a part of that sisterhood? The best part of Suicide Girls was being able to make some life long friends! For that I am forever grateful.

Photographer: ATOM Creative

WHAT ANIME ARE
YOU OBSESSED OVER
RIGHT NOW? I FINALLY
WATCHED FRUITS
BASKET AND I'M
HOOKED!!!

ANOTHER INDUSTRY YOU ARE INVOLVED IN, IS THE COSPLAY WORLD. DO YOU HAVE ANY FAVOURITE DAYS AS A COSPLAYER?
THE MOST REWARDING DAYS ARE WHEN I WEAR A CHARACTER THAT IS OBSCURE OR FUNNY AND I GET REALLY GOOD FEEDBACK FROM MY AUDIENCE OVER IT! REASONS WHY I REALLY LOVE COSPLAYING FORGOTTEN 90S CHARACTERS.

SET THE SCENE FOR
OUR READERS. WE SEE
THE SEXY RESULTS, BUT
WHAT GOES ON DURING
AN NEPTUNE SHOOT? I'M
USUALLY PULLING WEDGIES
OUT AND ADJUSTING MY
BOOBS. NOT SO SEXY.

Your work takes you all over, and to some exotic locales. Where is the best place you've shot? I rented a gamer themed Love hotel room to self shoot content while I was in Japan and that has been one of my favourite experiences so far!

Which brings us to your Elite Online awesomeness this month. How was your cover shoot? Amazing as always! I love shooting with you!

Summer is coming, hotness will soon be upon us. What does summer mean to you? Ice-cream? Festivals? Sunburn? I typically like to stay inside in the air conditioning in the summer, BUT I go to a couple of anime conventions that I love every summer such as Anime Expo and Otakon!

We're drawing to a close sadly. Before you go, make us all feel like we know you a little more. Whisper a secret about yourself in our ear... I like turtles.

LASTLY NEPTUNE, HAVE YOU GOT A MESSAGE FOR ALL YOUR, BY NOW DROOLING,
ELITE ONLINE FANS? *GERARD WAY VOICE* SO LONG AND GOODNIGHT!

Welcome to Elite Online, how you doin'? Thank you for having me, I'm very well thank you.

Wonderful to have you featuring, what was it like to shoot with us? It was awesome and so much fun! Easy, relaxed and chilled and got some great shots I hope you all enjoy.

We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret? I do workout yes, but a lot less than I used too. I tend to go to the gym 3/4 times a week. I do powerlifting and used to be a bodybuilder so the gym is second nature to me! Heavy weights to grow the booty!

Do you also watch what you eat, or is every day a cheat day? Yes I do, but I don't follow a strict diet plan anymore. I find it a lot easier to just be conscious of what your eating throughout the day keeping it low calorie, but if you fancy a chocolate bar then have one! A diets only good if you can be consistent with it.

What's the dirtiest meal you regularly stuff your face with? Pizza. Pizza all day long! I'm one of those strange people who LOVE pineapple on a pizza! So I tend to order pineapple, ham, bacon, sweetcorn with a BBQ base.

YOU'VE GOTTA HAVE A DRINK TO WASH IT DOWN AS WELL. WHAT'S YOUR ALCOHOL OF CHOICE? I DON'T DRINK ALCOHOL ALL THAT OFTEN, BUT WHEN I DO IT'S EITHER WHISKEY AND COKE OR I'M BORING AND HAVE A FRUIT CIDER. BUT A GOOD OLD COCKTAIL ALWAYS GOES DOWN A TREAT TOO!

Photographer: Dark Moon Media

WHAT HAVE YOU BEEN...
LISTENING TO RECENTLY? THE
NEW WHITECHAPEL ALBUM
...WATCHING RECENTLY? RICK AND
MORTY FOR THE 173894 TIME.
...WEARING RECENTLY? JEAN
SHORTS AND CROP TOPS AS IT'S
GETTING WARMER!

Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out? Being outdoors is by far my favourite thing! Going for long walks in the woods exploring and walking my little dog Loulou down the beach! I could lay in the sun for hours on end.

Summer means festival season, got any dates or gigs you're looking out for? I'm still a festival virgin. I know I wish I wasn't believe me, but just never managed to go as of yet. But definitely will be keeping an eye out for dates and bands I like that might be performing.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? Location shoots are my favourite! I must say, something about the forest I find so beautiful and calming. It can give a photo so much meaning depth and beauty. And a must on set for me is to have fun of course... and maybe a blanket to cover up if needs be haha.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I'm inspired by all the girls. Everyone's different ideas, confidence, looks and the community we all have together is amazing. Though if I had to pick my favourite girls it would be Aemelia Fox, Zoe Marie and Rebecca Crow.

Photographer: Dark Moon Media

A woman with dark, wavy hair is lying on her back on a light-colored surface. Her eyes are closed, and she has a serene expression. She has several tattoos: a large, detailed black and grey tattoo on her left shoulder depicting a figure, a smaller black tattoo on her right shoulder, and a pink tattoo on her upper arm. Her hands are resting near her face, with fingers slightly curled. The background is a plain, light-colored wall.

Do you also watch what you eat, or is every day a cheat day? I eat mostly simple food anyway! Boring I know! But it definitely makes it easier for me to eat clean and plain.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? My favourite drink would be rhubarb gin and lemonade.

Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out? I literally crave being outside. So it's my favourite time! I love the socialising and the positivity that shines out of everybody when the sun is out!

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I am inspired day in day out by so many people. But @sophbutler is an incredible woman.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? If I could shoot outside more often I certainly would! I would love to shoot a set outdoors in a large open cornfield at sunset/golden hour. Eventually ending in more silhouettes and shapes against the golden sky. I think it would look so beautiful!

It's been a blast, thanks for taking the time to speak with us. Have you got a message for everyone seeing this? Thank you so much for an amazing day shooting and for having me! I have a question for everyone seeing this! Would you rather have 10 duck sized horses or one horse sized duck? Answer carefully. It's important!

Welcome to Elite Online, how you doin'? Hi Elite.. it's so nice to be back!

Wonderful to have you featuring, what was it like to shoot with us? Fantastic as always, we always have a good laugh whilst shooting. Music choice is always great too.

We're always fascinated to find out how our models keep in such tremendous shape. Do you work out? What's your secret? Yeah I do workout maybe 2/3 times a week although probably not as much as I should. I'm a dancer too so I get plenty exercise at work.

Do you also watch what you eat, or is every day a cheat day? I try to eat relatively healthy through the week. I'm not super strict through. It's cheat day every weekend. Life's too short to not have cake and pizza.

Speaking of awesome work, are you inspired by anyone in particular out there right now putting content into our brains? I follow lots of models and photographers on Instagram and I'm forever getting inspiration from them. Loving how confident everyone is at the minute.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? I'm going through a phase of loving gin at the minute, all kinds of it. With lemonade though, can't stand tonic!

Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out? Wearing less clothes! I hate getting all wrapped up in the winter.

Summer means festival season, got any dates or gigs you're looking out for? I've got Glastonbury in a few weeks and I cannot wait. Fave festival of all time. It's so different to the rest of them.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? I love shooting outdoors especially on the beach. For me there's nothing better than natural light.

WHAT HAVE YOU BEEN... LISTENING TO RECENTLY?
CHEESY 90'S POP.
...WATCHING RECENTLY? QUEEN OF THE SOUTH ON NETFLIX.
...WEARING RECENTLY? I DON'T WEAR MUCH AT HOME, BUT I LOVE GETTING DRESSED UP TO GO ON A NIGHT OUT.

A woman with long brown hair is shown from the back, looking over her shoulder. She is wearing a dark green and black camouflage one-piece swimsuit. She has a large, intricate tattoo on her upper back and a small tattoo of three stars on her left forearm. The background is dark and out of focus.

Welcome to Elite Online, how you doin'? I am doing very well thank you.

Wonderful to have you featuring, what was it like to shoot with us? As always it was a blast! I love working with Elite. We shot in the new studio which is lovely. ATOM also agreed to get some shots outside, and luckily it was a beautiful day.

Do you also watch what you eat, or is every day a cheat day? Yeah, I am careful with my meals for the most part. I have specific fitness goals that I am working towards, which means I need to be consistent with my meals. I have one 'off plan' meal a week at the moment, which I take full advantage of.

You've gotta have a drink to wash it down as well. What's your alcohol of choice? At the moment, it is gin. I have been a little late to the gin party, as I hate tonic so I just thought that gin was not for me, and stuck to the tequila or rum. BUT I love it with a bit of lemonade or flavoured sparkling water.

Summer is fast approaching here in the UK. What do you look forward to the most when the sun comes out? Everybody's mood! It's just a nicer place to live when the sun is out. Beers flowing, people laughing in the gardens while having BBQ's/parties. Good Vibes!

Summer means festival season, got any dates or gigs you're looking out for? I do not unfortunately. I am working so hard at setting up my own business as a personal trainer and online coach, that I have just not had the time. I am going to make more of an effort to get out to gigs in 2020 though.

Summer also means lots and lots of outdoor shoots. Where is your favourite place to shoot? And what's a must on set for you? My favourite place to shoot is the beach (if it is quiet). I love the way beach shoots look. A MUST on photoshoots is something loose, baggy and comfortable to travel in, or put on between locations. I love to feel comfortable. Then when the shoot is over and you just throw it back on. Also a bobble to tie that hair back once you are done.

WE'RE ALWAYS FASCINATED TO FIND OUT HOW OUR MODELS KEEP IN SUCH TREMENDOUS SHAPE. DO YOU WORK OUT? WHAT'S YOUR SECRET? YEAH, I WORK OUT 5-6 TIMES A WEEK. CARDIO IS NOT MY THING AT ALL, I AM INTO LIFTING HEAVY WEIGHTS. IT IS AMAZING FOR CHANGING THE WAY YOUR BODY LOOKS, AND IT IS STILL BURNING CALORIES. I FIND IT SO SATISFYING WHEN I LIFT SOMETHING HEAVY. ESPECIALLY WHEN THE DUDE NEXT TO ME IS LIFTING LESS WEIGHT.

WHAT HAVE YOU BEEN...

...LISTENING TO RECENTLY? DON BROCO IS A NEW GYM FAVOURITE OF MINE.

...WATCHING RECENTLY? AGAIN, LATE TO THE PARTY, BUT I HAVE STARTED 'IT'S ALWAYS SUNNY IN PHILADELPHIA' I HAVE NO IDEA WHY I HAVE NOT WATCHED THIS BEFORE. IT IS BRILLIANT.

...WEARING RECENTLY? I HONESTLY JUST LIVE IN GYM WEAR. IF YOU ARE INTO THE GYM THEN DEFINITELY CHECK OUT 'ALPHALETE' AND 'LULULEMON' (THE ALIGN PANTS ARE THE SOFTEST AND SO COMFORTABLE).
